What do we mean by motivation?
What is motivation?
Intrinsic motivations

Join in with my friends
Play my favourite tunes
Work music out for myself

Play to my family
Make up my own tunes

Make that lovely violin sound
Be like Nicky Benedetti
Extrinsic benefits

Self-confidence
Creative thinking
Problem solving
Team skills and collaboration
Sense of inner pulse
Awareness and empathy
Sharing and communicating
Fine motor control
Independent learning
Eye-hand coordination
Commitment and persistence
What do we mean by progression?
What is progression?
Why do pupils lose motivation and stop making progress?
It's too difficult for me

I don't seem to be getting anywhere

It's not what I wanted

This no longer feels relevant to me

Everyone else is better than me

Anxious
Confused
Inadequate
Bored
Overwhelmed
Disheartened
Unhappy
Demotivated
motivation

assessment

progression

attainment
Technical demand

Creativity

The level of challenge?

The journey towards self-reliant learning via self-assessment

Taking responsibility for one’s own learning & progression

Dependent Learning

Independent Learning
I like hearing my teacher play and sometimes we play duets.

We both have a say in choosing what I play.

I know my teacher cares about my progress.

My teacher is interested in my motivations.

I can tell I’m getting better.

I understand what I am meant to practise each week.

Confident
Proud
Secure
Creative
Excited
Trusting
Valued
Joyful
Motivated

ABRSM - Teacher Development
Virtuous Circle

- learning
- motivation
- progression
- self-esteem
